

DOKUMENTASI PROJECT – PBS

NAMA: RYANDIKA

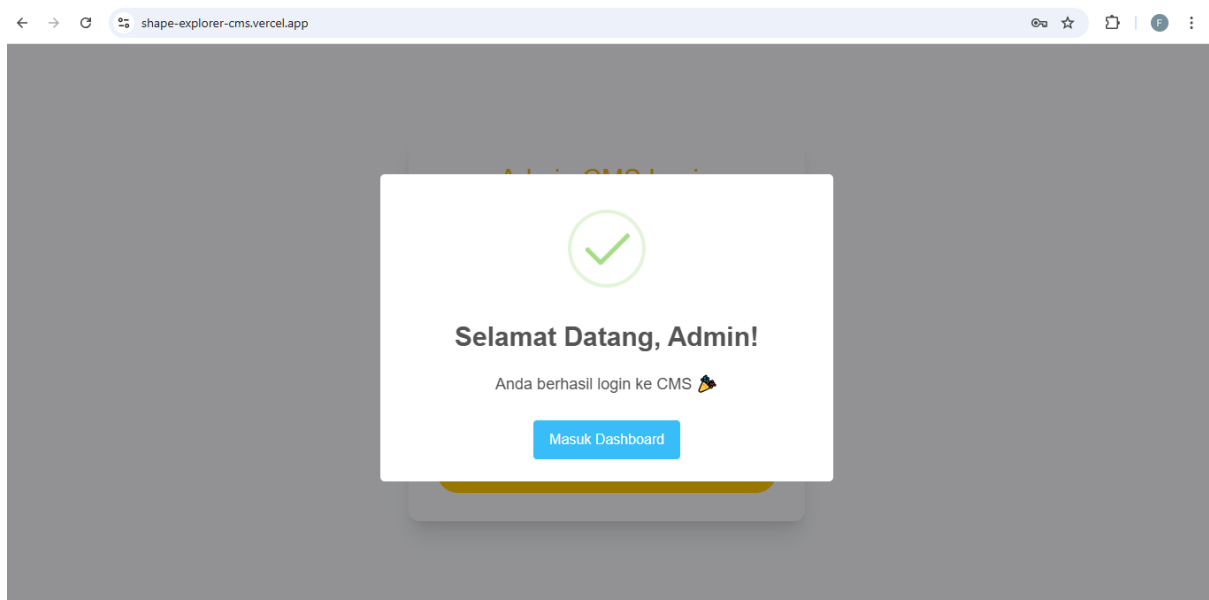

ROLE: CMS

1. MEMBUAT LOGIN PAGE PENGENALAN WEB

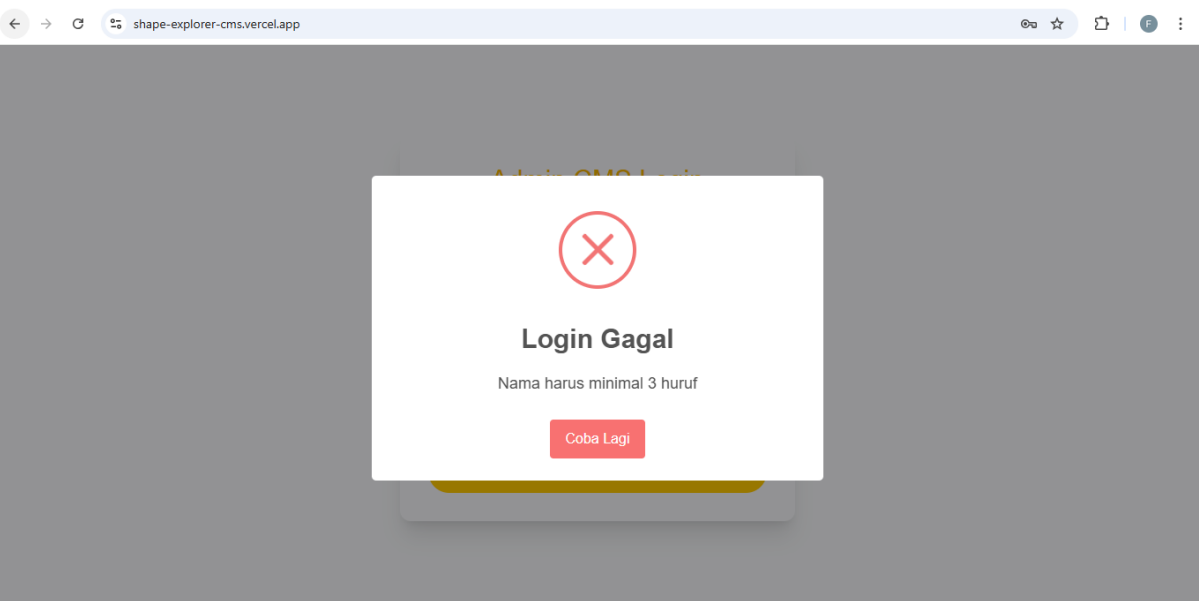

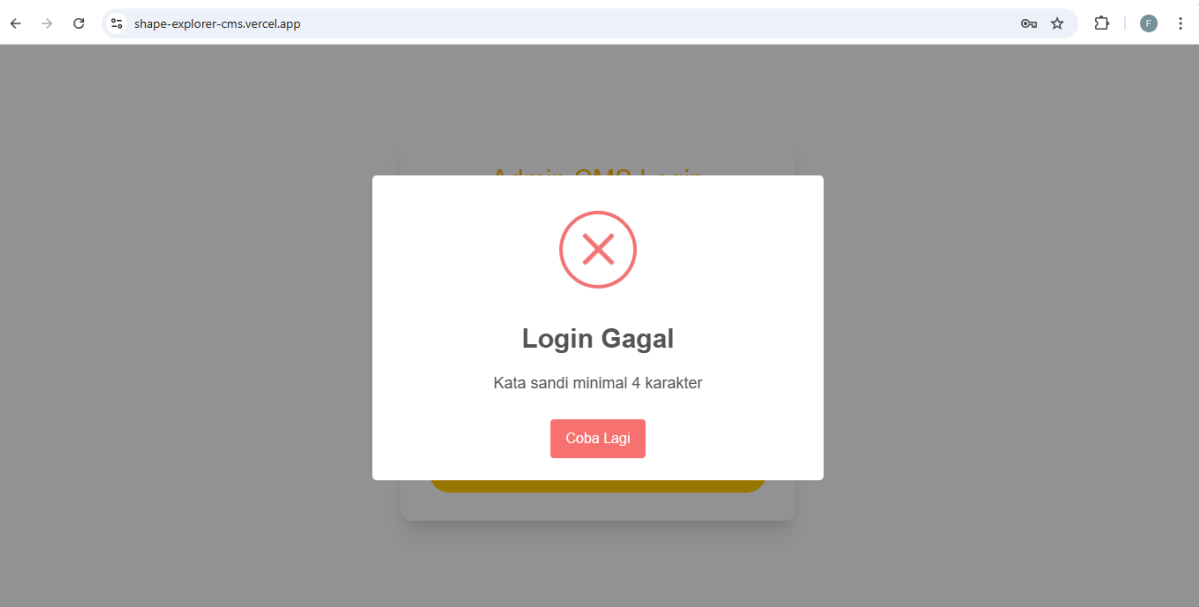

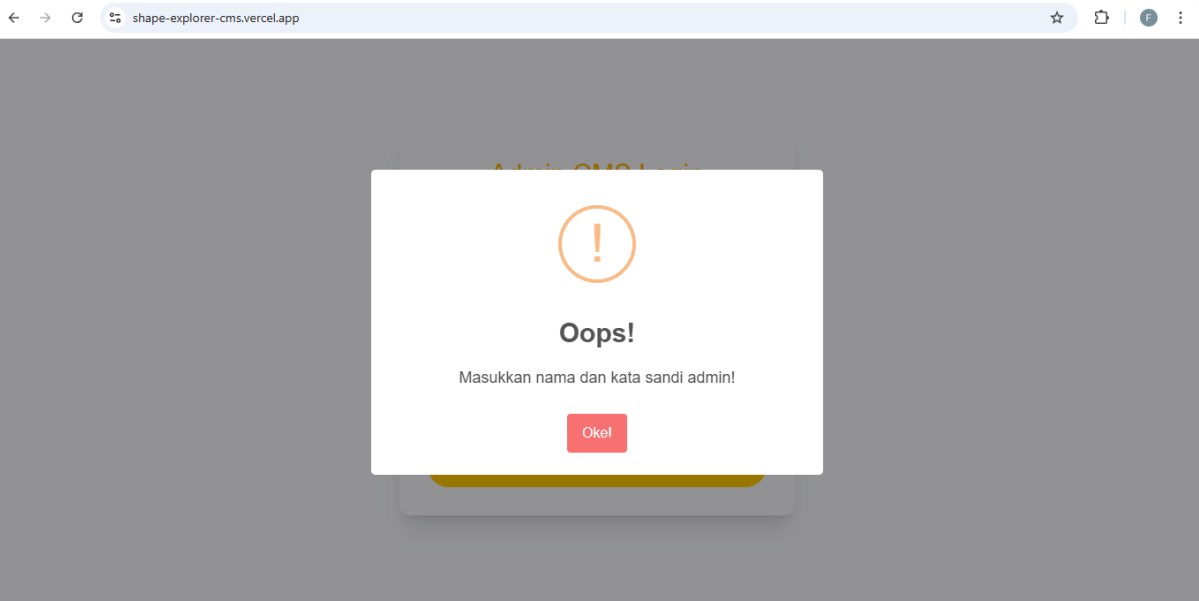

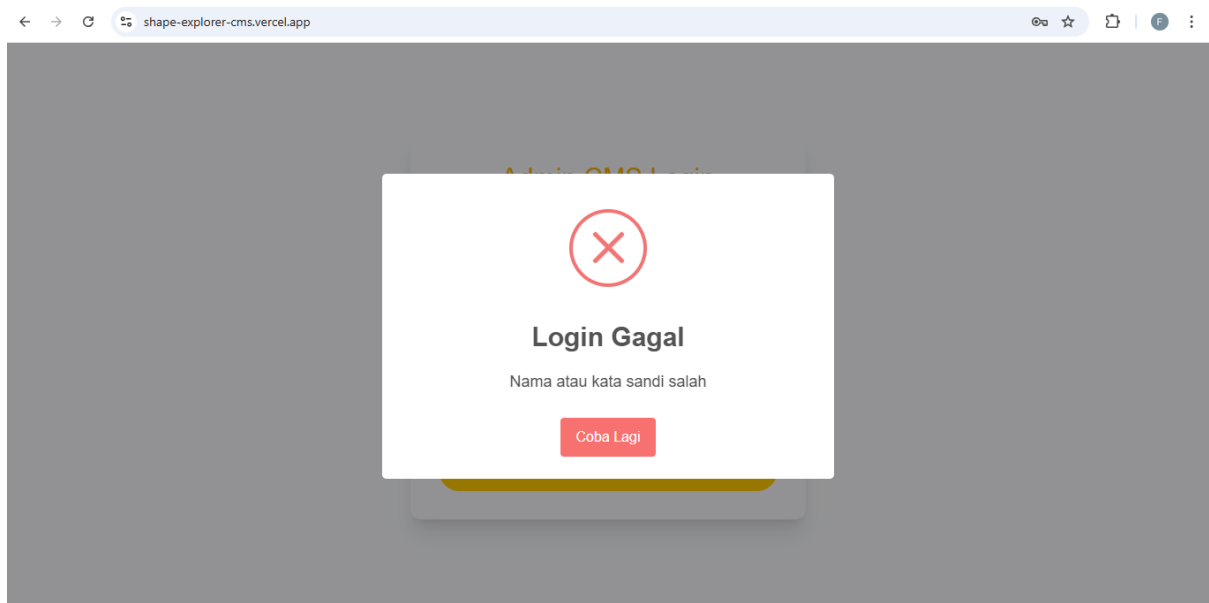

The screenshot shows a web browser window with the address bar displaying "shape-explorer-cms.vercel.app". The main content area features a light gray background with a central white card titled "Admin CMS Login" in orange text. Below the title, a message reads "Masukkan kredensial Anda untuk mengakses panel admin". There are two input fields: "Nama Admin" with a placeholder "Masukkan nama admin" and "Kata Sandi" with a placeholder "Kata sandi rahasia". A yellow button labeled "Masuk sebagai Admin" is positioned at the bottom of the card.

2. MEMBUAT ALERT MENGGUNAKAN SWEET ALERT REACT CONTENT

The screenshot shows the same web browser window as before, but with a white alert box overlaying the login form. The alert box contains a green checkmark icon, the text "Selamat Datang, Admin!", and a message "Anda berhasil login ke CMS" followed by a small rocket icon. A blue button labeled "Masuk Dashboard" is located at the bottom of the alert box.
